

CLEAN HAND® BLACK NITRILE GLOVES

New

Item Number 60009

Volk Protective Products proudly introduces Clean Hand® Black Nitrile Gloves. They offer a perfect solution for maintaining an unsoiled appearance in applications where dirt, grime, inks and other materials accumulate on gloves. With unmatched durability, strength and protection, Clean Hand Black Nitrile Gloves stand up to even the toughest jobs

Clean Hand Black Nitrile Gloves offer proven performance for:

- Auto Mechanics
- Beauty Shops
- Tattoo Parlors
- Industrial Applications
- Law Enforcement
- Other applications where dirt and grime build up on gloves

The Nitrile Advantage

Nitrile gloves provide three times more puncture resistance than latex gloves while eliminating the risk of latex allergies. They are incredibly resistant to harsh chemicals, especially solvents. Plus, nitrile gloves offer excellent dexterity while providing a tough and durable alternative to latex and vinyl gloves.
